It starts here.

Call us at 1-844-737-2223,
Monday through Friday,
8:00 am to 8:00 pm ET, or visit
[acadiacconnect.com](#).

enrolling in Acadia Connect™

When you enroll, you'll be paired with a Care Coordinator. They are your dedicated contact, getting to know your unique situation and working with your healthcare provider to offer the insurance and prescription assistance that's right for you.

how we can help.

COST & INSURANCE

We'll lead you through the complexities of today's insurance landscape, helping to navigate insurance approvals and sharing resources that may make your medication more affordable.

YOUR PRESCRIPTION

We'll coordinate with the pharmacy supplying NUPLAZID® (pimavanserin) 34mg capsules to help ensure treatment starts quickly and is delivered on time regularly.

SUPPORT & EDUCATION

Since no two days are the same, we're available to assist you with any changes you may be experiencing with your insurance, financial situation, or prescription delivery.

affording your medication.

Your Care Coordinator can guide you to the financial assistance options that might work best with your insurance situation.

Please read the full [Prescribing Information](#), including **Boxed WARNING**, also available at [NUPLAZID.com](https://www.nuplazid.com).

“Thank you, thank you for
the work you’ve done.
We appreciate all your help,
your concern, and your care—
and I really appreciate you.”
